

Destiny—Our New Library Catalog

Dear Parents,

Students can now access our library catalog from home. Students can search for books in the library using the online library catalog. Students can also login to see their account information, put books on hold, write book reviews or put books on the wishlist for the library. In order to login, students need to enter their username (lastname.firstname) and their password (stars). This will also allow students view their accounts and see books on loan, overdue books and fines.

How to Access Destiny

Click the link on our homepage.

Click on our school name.

Click login to access your account.

Enter your user name: lastname.firstname

Enter your password: stars

Now you can:

Search for a book using the library search bar.

When you click on a book title you can:

- See AR information in the quiz information section (only if we own a quiz)
- Click Hold It to put the book on hold
- Click the reviews tab to write a review
- Click the Wish List button to request a book be added to the library

Click the My Info tab to see:

- Books on loan to the student
- Overdue books
- Book fines
